

## We would like your support in our 2016 membership drive.

It is safe to say that Woodbridge is one of the most picturesque neighborhoods in Dallas with home values that are on the rise. Our residents genuinely care about Woodbridge, and our HOA Board is energetic and effective.

If you haven't heard, the last board deserves our thanks for many nice improvements including two new entrance signs, a robust and growing security patrol program, maintenance and improvement of our common areas, new fencing to promote safety and security, a new Woodbridge website, and an exceptionally strong relationship with city council and the Dallas Police Department.

The WHOA board is excited to build on that momentum, but in order to do that, we need your financial support.

**Please note:** we adjust our dues each year based on forecasted expenses. To say it another way, we are not asking for more than we need, and please keep in mind that many volunteer HOAs in our area ask for twice as much each year. This is largely because they do not have an active volunteer patrol group and must pay for this service. Please thank our VIP patrollers when you see them as they are helping keep HOA dues low!
